

20140412 The Sunflower Revolt: Protests in Taiwan

After the news spread out our government has signed an agreement with China, the whole society was like shocked. On March 17th, one single congressman declared the Congress has passed that agreement without any deliberation within 30 seconds. So, meeting in Congress was the most ridiculous one we have ever witnessed. And we ask our government to establish a congressional procedure to deliberate any kind of cross-strait agreement between Taiwan and China.

(next segment)

The agreement covers some industries which are quite sensitive for our national security like telecommunications. And from a political perspective, as the Communist Party has once announced, "It's much easier to buy Taiwan instead of invading Taiwan using forces."

We as a group are making history in Taiwan, and we are defending the values so important and so essential for our people, and we get enormous support from every corner in Taiwan.

在新聞揭露了我們政府已經與中國簽訂協議後，震驚了社會大眾。在 3 月 17 號，有一位立法委員在 30 秒內，沒有進行任何審議就宣布國會已經通過了協議，所以這個會議是我們看過最荒謬的一個會議，而且我們要求我們的政府制定一個立法程序去審理有關臺灣與中國之間任何的兩岸協定。

(下一片段)

這項協定牽涉到了許多對我們國家安全來說非常敏感的產業，像是電信產業。而從政治上面的觀點來看的話，如共產黨曾經聲明的：相較於用武力侵犯臺灣，買下臺灣是比較容易的。

(下一片段)

我們正在臺灣締造歷史, 而且我們正在守護對於我們人民來說非常重要而不可缺的價值, 我們也從臺灣的各個角落得到了大力的支持。
